FUNNY MONEY

Confetti

Hello! Shalom! Bonjour!
What we have created...

From now on, we have 2 prices - a special one for our people "Funny Money" and "As usual". Take a look.

To order at special prices, everyone needs to purchase an e-ticket through the chatbot. Everyone at the table, otherwise the magic will not happen.

It works from 16-00 on weekdays and all day on weekends. Better for companies.

Everything is very simple! Did you activate it? Savor it to the fullest:

- super prices
- a bunch of novelties
- wow dishes
- and the bar works as well

The cost of an e-ticket for an Adult is 150 UAH, and for a Child - 50 UAH.
One ticket for one visit.
Take-out is not valid, don't even ask - you need to rest here and now!
If you have any questions, call the administrator.
